Unless otherwise indicated, all training and workshops will be held at the following location:

201 W. Broward Blvd.
Ft. Lauderdale, FL. 33301
(954) 467-4218

Parking is permitted in the lot across the street, just west of the 201 building on NW 4th Avenue on the same side of the street as Kentucky Fried Chicken. Please do not park in The Ft Lauderdale Club parking lot as your vehicle will be towed. Verification of Attendance will be presented to you at the conclusion of the training. Please ensure that your name, phone number and email address are clearly noted. You must be on time and stay the duration of the training to receive a Verification of Attendance.

Mandatory Training for all Providers

****Choices and Rights**

This course will provide training on the recognizing the choices and rights afforded to the individuals we serve.

Three hours in-service credit will be earned. Class must be taken at area office.

****Medicaid Waiver Services Agreement**

This training will offer an overview of establishing a person-centered approach to service delivery and understanding of core assurances in the context of monitoring and the Medicaid-Waiver provider compliance standards.

Three hours in-service credit will be earned. Class must be taken at the area office.

****Direct Care Core Competency Based Training**

Introduction to Developmental Disabilities and Health and Safety - Within the Core Assurances that are signed by each provider of services is the training requirement that specifically requires direct service providers to complete training in the Department's Direct Care Core Competencies Training, or an equivalent curriculum approved by the Department within 120 days or the effective date of their hiring or June 30, 2006. As referenced in Chapter 393.063(15), Florida Statutes, a "direct service provider" also known as a "caregiver" in Chapter 393 and 415,FS., or "caretaker" in provisions relating to employment security checks, means a person 18 years of age or older who has direct contact with individuals with developmental disabilities and is unrelated to the individuals with developmental disabilities.

This course can be taken on line through TCC, as a self-paced module or at the area office.

Six hours of in-service credit will be earned for each component.

****Zero Tolerance**

There is a new Zero Tolerance curriculum. The training time has increased from 2 to 4 hours. Participants will be required to attend the entire training and pass a competency assessment by 80%. This session will provide training and materials on defining and recognizing the signs and symptoms of abuse, neglect and exploitation of persons with developmental disabilities. It will review reporting requirements and look at methods for prevention and safety planning.

This course can only be taken on line through TCC or at the area office.

Four hours of in-service credit will be earned.

****Web Based Training note**

Core Competency or Zero Tolerance

If someone cannot attend a classroom course, wants to take the course sooner or prefers to take the course in their home or at work, the on-line option may be the better option.

Chapter One indicates which training is required under each specific service.

Person Centered Planning and Implementation for Providers (Part A & B)

The purpose of Person Centered Planning and Implementation for Providers is to refocus our service planning and implementation processes using person centered approaches to ensure that the people we serve and their families are directing the choice and control over the services and supports each person receives. It will enhance the provider's ability to ask people about their life expectations, listen and understand the person's desired outcomes and then construct and put supports and services in practices that honor those personal choices. The training will consist of two sessions (Part A & B). Both sessions need to be taken to complete the requirement.

Training Calendar Course Descriptions

Provider Development Workshop (PDW)

The Provider Development Workshop (PDW) will allow potential Medicaid Waiver Provider applicants to gain awareness about people with developmental disabilities and their support needs. All participants will be offered the opportunity to enroll as Medicaid Waiver Providers for the HCBS and FSL Waiver Program and will receive "Hands On" technical assistance with the review and completion of the application packet.

Group Home Provider: This half of the workshop is designed to acquaint you with the pre-application process and requirements needed to open and operate a licensed Developmental Disabilities group or foster home. 3 Hours.

Service Provider: This portion of the workshop will detail the types of disabilities our agency serves, the philosophy of service provision and Emergency Preparedness. 2 Hours.

Application Phase: This is the final phase of the training in which the applicant has attended the previously listed training above and will bring the blank application that was emailed to them. Technical assistance will be provided to complete and submit the application.

Application packets will be emailed to the participant prior to the training and will not be provided at the training. If submitting an application you must be on time and stay the duration of the workshop to receive your Verification of Attendance. Verifications of Attendance will be provided at the end of each workshop.

If you would like to register please email us to have your name added to the 2012 list. You will be contacted at a later time with the date and location of the 2012 Provider Development Workshop.

The training will be given over two (2) days in consecutive weeks.

Service Authorization

This two (2) hour training will cover Home and Community Based Waiver, provider types and identification, procedure codes, modifiers, gate keeper files, waiver services, limitations, rates, payment related policies and procedures and questions. Please call Joy Joseph at (305)377-5004 for more information regarding this training.

Medicaid Waiver Required Documentation

Providers of Residential Habilitation, Adult Day Training, Supported Employment and Supported Living must develop an Implementation Plan for the individuals they serve. This training will address the requirements to write an implementation plan and review the basic format. This training will also cover Service Logs, Monthly Summaries, Annual Reports, Self Assessments.

3 Hours.

Policies and Procedures

This training will cover the requirements for writing policies and procedures that comply with the Developmental Disabilities Waiver Services Coverage and Limitations Handbook. 2 Hours.

Service Specific: In Home Supports, Companion, Personal Care and Respite

This training will cover the qualifications, training, service requirements, projected service outcomes and documentation for In Home Supports, Companion, Personal Care Assistance and Respite. 2 Hours.

Medical Records Documentation

This training will cover the appropriate method of documentation of the medical records of the individuals we serve to ensure optimum health and safety. 2 Hours.

Supported Living Coach Pre-Service

This training meets the 18 hours of pre-service training requirements for all Supported Living Providers. The training will introduce or become familiar with the Developmental Disabilities Waiver Services Coverage and Limitations Handbook and Supported Living Guidebook. Training will cover the history of supported living, eligibility, choice, participation and control, role of the coach, safety and health strategies, quality of life and services.

Supported Employment Coach Pre-Service

Supported Employment Certification Training (Part One and Part Two) is now available online and on demand. All persons who wish to apply for certification as a job coach or employment consultant may now take the certification courses online. Upon successful completion of both courses, the person may apply to their local APD area office where they plan to provide SE services and attach copies of the two certificates to their application indicating successful completion of both Part One and Part Two of the SE Certification course. Part One is "Best Practices in Supported Employment" and Part Two is "Introduction to Social Security Work Incentives." The courses are available at <https://trn-store.com/content/florida-required-supported-employment-pre-service>. Stay tuned to this website for upcoming classroom trainings.

Social Security Work Incentives

The training meets the 18 hours of pre-service training requirements for all providers providing Supported Employment. The training will focus on enhancing the individual's earnings by allowing them to make more money and still maintain eligibility to SSDI, SSI, Medicare and Medicaid.

Meeting Summary Information

Waiver Support Coordinator Meeting

Waiver Support Coordinator meetings are held each month from 9:30 am to approximately 11:30 am. Please note the meetings are located at 201 West Broward Blvd., Room 104b, Fort Lauderdale. For additional information email Pam Romack at pamela_romack@apd.state.fl.us

Supported Living Coaches Meeting
