The **My Profile** section allows you to edit or update your Professional Role.

The **Professional Role** screen is the default screen. Choose the role(s) closest to your primary job classification or title. You must choose at least one (1) Professional Role, but you may select up to three (3) and select a specialization where available. If you select "Other", please be sure to enter the specialization. If you are in a **supervisory** position, you **must** choose Administrator/Director/Manager as one of your choices.

Instructions:

Use the table below to locate your current primary job classification or title, and click the check box next to the TRAIN Florida professional role that is closest to your primary job classification or title. If the TRAIN Florida professional role has a drop down box (marked with a red asterisk), you must select the appropriate secondary professional role.
